

## July 1, 2007 Tap & SDF Fees

| Water Meter Sizes | Water Tap   | Water SDF    | TOTAL COST OF WATER | Sewer Tap | Sewer SDF     | TOTAL COST OF SEWER | TOTAL WATER & SEWER | Tap Fees Only | SDF Only      |
|-------------------|-------------|--------------|---------------------|-----------|---------------|---------------------|---------------------|---------------|---------------|
| 3/4"              | \$ 525.00   | \$ 652.00    | \$ 1,177.00         | \$ 750.00 | \$ 2,705.00   | \$ 3,455.00         | \$ 4,632.00         | \$ 1,275.00   | \$ 3,357.00   |
| 1"                | \$ 650.00   | \$ 1,087.00  | \$ 1,737.00         | \$ 750.00 | \$ 4,508.00   | \$ 5,258.00         | \$ 6,995.00         | \$ 1,400.00   | \$ 5,595.00   |
| 1 1/2"            | \$ 1,075.00 | \$ 2,173.00  | \$ 3,248.00         | \$ 750.00 | \$ 9,017.00   | \$ 9,767.00         | \$ 13,015.00        | \$ 1,825.00   | \$ 11,190.00  |
| 2"                | \$ 1,225.00 | \$ 3,478.00  | \$ 4,703.00         | \$ 750.00 | \$ 14,426.00  | \$ 15,176.00        | \$ 19,879.00        | \$ 1,975.00   | \$ 17,904.00  |
| 3"                | Cost        | \$ 6,958.00  |                     |           | \$ 28,851.00  |                     |                     |               | \$ 35,809.00  |
| 4"                | Cost        | \$ 10,871.00 |                     |           | \$ 45,082.00  |                     |                     |               | \$ 55,953.00  |
| 6"                | Cost        | \$ 21,742.00 |                     |           | \$ 90,162.00  |                     |                     |               | \$ 111,904.00 |
| 8"                | Cost        | \$ 34,788.00 |                     |           | \$ 144,258.00 |                     |                     |               | \$ 179,046.00 |
| 10"               | Cost        | \$ 50,007.00 |                     |           | \$ 207,373.00 |                     |                     |               | \$ 257,380.00 |
| 12"               | Cost        | \$ 67,400.00 |                     |           | \$ 279,502.00 |                     |                     |               | \$ 346,902.00 |

### Outside City Tap Fees

|  | Water Service Size | Tap Fee     |  |
|--|--------------------|-------------|--|
| <b>*For cost estimates of sizes larger than a 2" water or 6" sewer, contact Superintendent, Water/Sewer Maintenance</b>                                      | 3/4"               | \$ 1,050.00 | (System Development Fees are the same for Inside or Outside City Limits) |
|  | 1"                 | \$ 1,300.00 |  |
|  | 1 1/2"             | \$ 2,150.00 |  |
|  | 2"                 | \$ 2,450.00 |  |
| <b>Larger than 2", full cost of tap will be the applicable service fee. Developer doing connection will pay \$50 connection fee plus cost of the meter.*</b> |                    |             |  |
|  | Sewer Service Size | Tap Fee     |  |
|  | 4"                 | \$ 2,250.00 |  |
| <b>Larger than 4", full cost of tap will be the applicable service fee. Developer doing connection will pay \$50 connection fee.*</b>                        |                    |             |  |

Use Iredell Water Meter Size for Sewer SDF

If increasing meter size on existing building, must pay SDF (New size SDF minus existing size SDF)

No SDF if using existing taps.

Must pay SDF for each size water meter

Sewer is based on largest water meter size

When separating legal taps (two houses connected to same tap), only have to pay for Tap Fees - no System Development Fees

No System Development Fees on FIRE LINES
