

### Where to place your blue cart:

- As **close to the curb** as possible, with the lid opening toward the street (handle and wheels toward the house)
- At least **3 feet away** (on both sides) from other carts and obstacles such as parked cars, mailboxes, trees, fire hydrants, street signs, etc. Recycling collection will be with an automated vehicle; objects within 3 feet of the cart may interfere with the automated arm that will empty your container.
- Special arrangements will be made for residents who receive backdoor pick up.
- Your blue and brown carts must be at the curb by 6:00 a.m. on the day of collection (but no earlier than 5 p.m. on the night before collection)
- Emptied carts must be removed from the curb within 24 hours. If you're going out of town, please ask a neighbor to roll them back for you.
