OUTDOOR LIGHTING SERVICE

Page 2 of 4

1. The existing wood pole monthly rate is applicable for luminaires in service before July 31, 1999.
2. Luminaires are not available for the lighting of streets, roadways, and other vehicle thoroughfares.

OTHER LUMINAIRES

Decorative, non-standard luminaires or non-standard poles can be installed on request, at the City's option, at the rate shown above plus an extra monthly charge equal to 1.7% of the estimated difference in installed cost between the luminaire and pole requested and the equivalent luminaire and pole explained above.

STREET LIGHTING LUMINAIRES

Customer may request non-standard luminaires, equipment, or structures to be installed for an extra one-time charge equal to the estimated difference in cost installed between the facilities requested and the standard facilities.

UNDERGROUND CHARGES

Additional monthly charges for the underground conductor system are as follows:

- | 1. | <u>Feet Per Pole</u> | <u>From Overhead System</u> | <u>From Underground System</u> |
|----|----------------------|---|---|
| | over 150 feet | 9 cents for each increment of 10 feet, or less, over 150 feet | 9 cents for each increment of 10 feet, or less, over 150 feet |
2. When the installation requires the cutting and replacing of pavement for a drive or walkway, 1.7% of the estimated cost of this cutting and replacing of pavement will be added to the charges above.

EXPLANATORY NOTES:

1. Lamps will burn from approximately one-half hour after sunset until approximately one-half hour before sunrise. The City will replace burned-out lamps and otherwise maintain the luminaires during regular daytime working hours as soon as practicable following notification by the customer of the necessity.
2. Luminaires will be installed only on City-owned poles or structures. All facilities necessary for service under this Schedule, including fixtures, lamps, controls, poles, or other structures, hardware, transformers, conductors, and other equipment shall be owned and maintained by the City.
3. Equipment (such as disconnecting switches) other than that supplied by the City as standard is not available under this Schedule, and shall not be installed by the customer.
4. This Schedule is not available for seasonal or other part-time operation of outdoor luminaires.
5. The customer shall designate location of the luminaire, but the location must be approved by the City and must be within a distance, which can be reached by a secondary extension from the City's nearest distribution facilities.

SALES TAX

To the above charges will be added any applicable North Carolina Sales Tax.

PAYMENT

All bills are due and payable upon receipt. Bills are considered past due and delinquent 21 days after the billing date and shall be subject to a late payment charge of \$5.00 or 5% of the unpaid amount, whichever is greater. In addition, if any bills are not paid within 31 days of the billing date, the City has the right to suspend service in accordance with its service policies.

CONTRACT PERIOD

The original term of the contract is for two years or pay the remaining balance of the two-year contract. Contracts will continue after the original term until terminated by either party on thirty days written notice.
