

Your Special Event – Your Own Way

The Statesville Civic Center, located in Historic Downtown Statesville, is the perfect place to hold your special event. Built with versatility in mind, the Civic Center takes adaptability to a new level with its removable air walls and flexible layout options. Design your event space to your specifications with options to add staging and a versatile size hardwood dance floor along with superior sound capabilities and the latest in AV accessories. The name of the game is choice at the Statesville Civic Center where you can choose from our list of approved caterers or use our state of the art commercial kitchen and prepare your own food.

From start to finish your event is hassle free with our dedicated staff. We treat each event with individual consideration whether there will be 10 guests or 600. Tables, chairs and white linens on the tables are included in the room rental price along with layout assistance, room set-up and break-down. To do an event right you need time – that is why we don't do multiple rentals per room on the same day. Your space is yours for the entire day to give you the necessary time you need to make it perfect without being rushed out of the room for the next group to come in. Your vision of your special day becomes our commitment and we wouldn't have it any other way.
