Application Information and Instructions for Police Recruit

Thank you for your interest in joining our team.   We are very proud of our agency and are glad that you are considering joining our team. This is a long process but will be worth it if you are selected. There are several steps that you will be asked to complete along the way.

Applicants will take part in a very competitive process that includes completing the 2-part NC POPAT in allotted time. Those who successfully complete the POPAT will then participate in written testing. Those who successfully complete both the POPAT and Written testing will then move on to the Interview portion.

Background investigations will be conducted on the top finishing candidates and will continue until we fill positions needed. Those who are selected will be offered a position as Police Recruit and will be paid $18.05 hour while you are attending Basic Law Enforcement Training. Those selected will be required to sign a 2-year contract with the City of Statesville and agree to work for Statesville Police for 2 years after being sworn in. Your pay will increase to $39,536.45 annually after being Sworn in as well. The first step to achieve this goal is putting in your application.

So, let's get you started. I suggest that you print this page so you can have the info in front of you. If you're near a computer, go to http://www.statesvillenc.net.   That will take you to the City of Statesville's main web page. Scroll over to the Departments tab and then scroll down to employment openings (located below Human Resources) and click on employment openings. This will bring you to another page that has all our current openings.

Scroll to the bottom of the page and you will see click here to the left of "**POLICE RECRUIT APPLICATION PACKAGE**" that will give you the extra forms that you will need to complete the on-line application package.

This is an informational PDF describing the process and everything that you need to do complete the process and the required documentation.

Now go back up to the top of the page and click the highlighted portion where is says **CLICK HERE TO APPLY FOR ANY POSITIONS ONLINE**

This will take you to a complete list of all available openings, scroll down to Police Officer and click that.

This will take you to the Police Recruit page and give you information about the position and when you scroll to the bottom you can hit the APPLY NOW and that will take you to where you need to create an account and once you do that, you just complete the application and submit it.

The police recruit packet will have a Physicians Statement and a Liability Waiver for the POPAT testing, be sure to complete those as well.

If you have any questions just email me or give me a call.
