Please give a description of what you plan on having at your booth and how it relates to local community involvement, health & wellness, green initiatives, sustainability, etc.

In lieu of charging for booth space for this event, we would like all vendors to provide one item (around \$10 value) that will be part of a giveaway drawing for Arbor Day participants. This item could be a t-shirt, baked goods, a gift card to your business, etc. Please list what you will be providing for the raffle: _____

Each vendor will receive at least a 10x10 booth space (more space is available upon request). We ask that vendors provide your own tables and chairs. If you cannot provide your own, we will have them available to rent for a \$5 fee. Please let us know ASAP if you need to rent these items.

The facility will open for set-up at 7:30am. All booths are to be set up by 9:30am. The vendor area will be open to the public from 10:00am-2:00pm.

Vendors are expected to keep booths open and not start the breakdown process until the event is over.
